

Council of Heads of the Built Environment
Heads of Department of Construction,
Property and Surveying

March 2017

CHOBE Awards 2017

Following careful consideration by the Awards Sub-Committee, we are pleased to confirm that CHOBE will be making awards for the following projects this year

1. Focused Research Project

Institution	Lead	Activity	Funding
Northumbria University	Susan Dawson	Reshaping Built Environment Education: The Impact of Degree Apprenticeships	£4000
University College of Estate Management	Aled Williams	The State of the Nation: Degree Apprenticeships in Construction and Built Environment	£2000

2. Small Grants (£500)

Institution	Lead	Topic	Activity
University of the West of England	Dr Patrick Manu	Built environment Early Careers Research	Seminar
University College of Estate Management	Nikki Bulteel and Karl bunting	Alternative assessments in law	Workshop/seminar

We will add each activity to our events calendar as they are scheduled
We look forward to learning about the impact of these initiatives at iBEE 2017.
