Academic Route To Membership Webinar

Wednesday, November 18th
11:30am – 12:30pm

To become an RICS academic member and use the MRICS title, you must meet specific criteria and pass an assessment. Here's what's required:

Academic Experience: You need at least three years of relevant academic work and a surveying-related degree. Some professional qualifications may exempt you from parts of the criteria.

Counsellor Support: An RICS-qualified counsellor (MRICS, FRICS, or AssocRICS) is required to support your application.

CPD Requirement: You must complete at least 20 hours of Continuing Professional Development annually.

Application: Apply online via the RICS website, providing evidence of your qualifications, experience, and completing the assessment.

Next Generation Panel

Hosted by:

Kirsty White - Matrics Engagement Lead, RICS

Panel:

Abi Bailey MRICS, CBRE

Joe Brown Apprentice QS, CBRE & Edinburgh Napier University

Hannah Yousef Saiyed BSC QS Student, Kingston University
